CRITERIA/GUIDANCE NOTES FOR APPLICATIONS TO THE DAN MASKELL TENNIS TRUST

If you are applying for a wheelchair:

If you are playing wheelchair tennis there is an opportunity for you to apply for your own sports wheelchair. Each applicant is required to raise a £500 deposit towards the cost of each chair. The Dan Maskell Tennis Trust will match this funding up to a maximum of an additional £1,500 (£2,000 in total). If the chair costs more than this due to any "extras" required, this will be at the cost to the applicant. Chairs will be supplied by EPC (Equipment for the Physically Challenged). There will be approximately 10 chairs available per year under this scheme.

If you are applying for a bag of equipment:

There are approximately 50 kit bags available per year. These bags will be ordered and paid for by The Dan Maskell Tennis Trust and delivered direct to a specified address. Kit bags will include, rackets, balls, mini net, and coaching aids such as cones and throw down marker lines.

If you are applying for a grant:

Individual applications: examples of items that will be considered include tennis rackets, coaching lessons with an LTA Licensed coach; course fees for official LTA Development/Coaching courses.

Group, club or project applications: If you are starting a disability group, a club programme or a project or need help for an existing project or programme. Examples of items that will be considered under this scheme are help towards court hire, (e.g. for indoor provision) coaching fees, equipment (if not applying for a kit bag as above). All programmes and projects should aim towards self-financing and sustainability.

Whether individual or group - items considered as luxury items such as electrical equipment e.g. videos, clothing or individual transport costs will not be considered. Please give as much information as possible and specify what costs are associated with each item, e.g. if you are applying for help with indoor court fees, please specify how many sessions and the cost per hour per court. Likewise if you are applying for coaching fees, please specify how many hours and at what cost. Maximum grant per application is £1,000 with an anticipated 10 applications per year.

In all cases, the Dan Maskell Tennis Trust will consider each application on merit. If alternative funding opportunities exist, The Trust will either suggest these or explore them on your behalf. Please give as much information as possible about your tennis activities.

If you are successful in your application for a wheelchair or tennis equipment bag, you will be expected to keep this in good condition. Guidance on maintenance of wheelchairs will be provided.

Applications will be considered by the Fundraising Committee of The Dan Maskell Tennis Trust which meets 4 times a year. Applications should be sent one month in advance of meetings.
