About The Lord's Taverners

The Lord's Taverners is a Charity originally founded upon the love of cricket and its work extends to helping young people, particularly those with social, physical or learning disadvantages, to enjoy not only cricket but also other sporting and recreational activities.

Fifty per cent of its grant aid goes towards cricket projects - equipment and competitions for those young people playing the game at grass roots level in schools and clubs. The other half is awarded to special needs schools or organisations, supporting their work to encourage youngsters to participate in recreational activities and a wide range of disabled sports and also includes the provision of specialist minibuses. The Taverners are one of the leading funders of sports wheelchairs. This is the second year that The Lord's Taverners have worked in partnership with the Tennis Foundation and we hope to build on the previous successes with this strong relationship.

Tennis Wheelchairs

The Lord's Taverners Sports Wheelchair Sponsorship Scheme is to assist with the provision of manual sports chairs and is aimed at those between 8 and 25 years of age. Standard multi-sports chairs are available with the recipient contributing a self help donation of £350. For the more advanced athlete funding of up to 50% of the cost of a bespoke wheelchair may be awarded. Applications must be made through schools or sports clubs and comply with the guidelines for the scheme. The grant will be paid directly to the wheelchair supplier. The Lord's Taverners aim is to help and encourage many young athletes in pursuit of their love of sport, whether it be for the sheer enjoyment or the competitive element.
