600 people attended in 2008.

99% of attendees in 2008 stated the Road Show had inspired them to develop tennis further in their schools.

"The best event I've been to for years"

"Congratulations to you all in creating a very informative day. The message you gave was clear and was very relevant to current work within PE and school sport."

"I feel that the resource and support provided on the day are the most useful I have been provided with from an NGB since starting my post."
