This 3 hour course has been designed to give primary school teachers the confidence and tools to deliver tennis to a class of children in a small space.

The course is supported by an innovate DVD. This teaching resource is pupil facing which delivers and demonstrates the activities directly to the children, allowing the teacher to do what they do best, teach!

**The course and DVD cover a 5 week block of lessons for 3 different age groups:**

- 4 - 7 years
- 7 - 9 years
- 9 - 11 years

**Each teacher (1 per school) that attends the course will receive:**

- 3 DVDs
- Lesson plan handbook
- Mini Tennis Equipment Pack (60 balls, 30 rackets and 1 net)

The course will take teachers through the DVD resource and will also cover the game of Mini Tennis and provide teachers with ideas for fun games and competition for the whole class.

To organise or book onto a course, please contact your Tennis Development Manager. Contact details can be found at [www.schoolstennis.org](http://www.schoolstennis.org), and select Contact Information.

**The course will take place within a primary school hall, so that the learning environment is as realistic as possible. It demonstrates how tennis can be taught to the whole class regardless of their ability, making the session achievable to every child yet challenging for the most able.**
