

**IT'S**

**SCHOOL  
OF TENNIS**

# **ANYONE'S GAME**

 **Tennis Foundation**

# WELCOME

## Workshop Outcomes:

1. Understand how to design, develop and deliver a new tennis curriculum
2. Understand how tennis can be used to meet the wider aims of the school's development plan
3. Understand how to promote and encourage the whole school community to get involved in tennis

## WHAT IS YOUR VISION?

A chance to share and hear from other schools

Summarise your vision and be prepared to share with others.

CHANGE THE  
PLAYERS  
CHANGE THE  
GAME

SCHOOL  
OF TENNIS

# ***THE OPPORTUNITY***

## **From Vision to Reality!**

1. What would make the School of Tennis programme attractive to your whole school community?
2. How can tennis fit into your curriculum, whole school priorities and school day?

**SCHOOL  
OF TENNIS**

# ***DESIGNING & DELIVERING YOUR CURRICULUM***

## **Know Your Outcomes**

- Transition
- Guiding Principles
- Whole School Priorities
  - **Cardio Tennis**
  - **Mini Tennis or touchtennis**
  - **Red**
  - **Orange**
  - **Green**
  - **Inclusive Tennis**

**SCHOOL  
OF TENNIS**

# ***DELIVERING YOUR CURRICULUM***

## **Potential Barriers to Overcome**

Discussion with colleagues from your own school

1. What do you need to make your School of Tennis programme work in your school?
2. What might be the potential barriers to overcome?

# ***BARRIERS AND SOLUTIONS***

|  |  |
|--|--|
| Finding curriculum time for tennis         | Take other sports off the curriculum   |
| Students interest in tennis                | Festivals, prizes, assemblies, Year 7 'fun curriculum'                             |
| No specialists in department               | Local club inset for all staff, use of coaches, became a satellite school          |
| Resources                                  | Used local LTA rep and Tennis Foundation for grants and support                    |
| Maintaining interest                       | Competitions, all abilities, <b>not</b> using full court/ yellow ball              |
| Getting parents and the community involved | Local press contact, taster sessions in the community, parent and student doubles. |

# ANY QUESTIONS?

1. Understand how to design, develop and deliver a new tennis curriculum
2. Understand how tennis can be used to meet the wider aims of the school's development plan
3. Understand how to promote and encourage the whole school community to get involved in tennis
