Come and Try Tennis @ the British Open 2017

The British Open is one of six Super Series events on the UNIQLO Wheelchair Tennis Tour and one of the most important tournaments in the world outside of the Grand Slams. As it is following the Wimbledon Championships many of the top elite wheelchair tennis players compete at this tournament, which will mean we have the opportunity to watch these players first hand.

As part of this major event the Tennis Foundation always host a Come and Try Tennis activity day on the Saturday, you will be given the opportunity to play the sport in a fun and safe environment. All kit, equipment and support will be provided to participants on the day along with their families and carers.

Location: Nottingham Tennis Centre, University Blvd, Nottingham, NG7 2QH

Date: Saturday 05 August, 10-2pm

How to book: Contact Matt Elkington on 07961267607,
matthew.elkington@tennisfoundation.org.uk
