NATIONAL SCHOOL GAMES SELECTION CAMP

Wheelchair Tennis is one of the 12 sports included in the annual National School Games Finals which are held at Loughborough University in September. Players from England, Wales, Scotland and Northern Ireland will be selected to represent their home country in an exciting Olympic style multi sport event.

The Tennis Foundation has five team managers who select teams to attend the Games. Players must be aged between 12 – 18 to compete however younger players may attend selection camps to help with their development and increase their chances of being selected in future years. Details of your closest selection camp are below. Whilst this is a selection camp, it is also a training session and will include fun drills so everyone is invited to attend.

Location: Lee Valley Hockey and Tennis Centre

Date: Thursday 18th May 2017

Time: 12:00-15:00

Contact and email for questions: Peter Richmond, NEETacademyHQ@gmail.com
