

MINI TENNIS & TIE BREAK SCORE SHEETS

TIPS FOR BEING A GOOD SCORER:

- Prepare your score sheet – a clipboard and pencil with an eraser are useful tools.
- Stand in a good position so you can see the court lines and the players can hear your voice.
- Tell players how long they can warm up, e.g. 10 shots or 2 minutes.
- Tell players the length of the match, e.g. up to 7 points, 10 points etc. or if it is a timed match, e.g. the match lasts for 10 minutes, starting and finishing on a whistle.
- Start the match clearly by stating who will serve – decided by a toss or spin of a racket.
- Always write the score down before you call it so you're watching when they start the next point.
- Call "out" clearly when you need to and be confident in your decisions.
- Anytime they continue when the ball was out or a double bounce, stop the point and tell them what happened.
- If players don't stop in response to your voice then step onto the court.
- At the end of the match, go to the middle of the court, congratulate both players, tell them the score and ask that they shake hands.
- R & L on the score sheets show who should be serving and from which side – right or left.
